

## RELIEF FUND IS RAPIDLY GROWING

Total Received to Date By Mr. W. M. Hill is Now \$10,189.30.

### ALL VIRGINIA IS HELPING

Checks Are Coming in From Neighboring Towns and All Countryside.

The amount that Richmond and adjacent territory is raising for the relief of the San Francisco sufferers increases daily by leaps and bounds, and yesterday evening Mr. William M. Hill, cashier of the State Bank of Virginia and treasurer of the Citizens' Association of this city, had received a sum total of \$10,189.30, an increase of \$1,351.92 over the amount that had been received the preceding day. From all sides the money comes pouring in, neighboring cities sending in their larger contributions, country towns and villages sending in their smaller, but by no means less sincere, amounts; and even the countryside from all over the State makes daily remittances.

The amounts come in checks ranging from 50c to \$120.50, the last amount coming from the generous-minded children of the Sunday-schools of Chase City, Va. The citizens of Martinsville sent a check for \$101.15; the Shenandoah National Bank, of Winchester, a \$100.00, and from many other points in the State come remittances from citizens' associations, amounting up to \$50.

The amount collected yesterday was greatly increased by the contribution of \$5,000 from the Southern Express Company, through its president, Mr. J. O'Brien. The citizens of Fairfax county also responded with \$31, and the Retail Merchants' Association of Surrey and adjoining counties sent in \$25.

#### Richmond Druggists Give.

The National Association of Retail Druggists has sent notice to all the local associations requesting them to make fitting appropriations for the relief of the sufferers, and yesterday the Richmond Association in its regular meeting, voted an appropriation of \$25.

In view of how widespread and deeply settled is the spirit of generosity to-day has been especially set aside by the Wells circuit of theatres for all the receipts of the various performances to be handed over to the general relief fund. In Richmond the entire receipts of the matinee performance of "Young Buffalo," will be given over to swell the relief fund. The receipts of the Penny Arcade and Wonderland will also be donated for the same purpose. Manager McKee is busy about the raising as much as possible, and he invites the hearty co-operation of all the theatrically inclined. The boxes will be sold at the best prices possible at an advance in the regular price, thus affording all an opportunity to be as liberal as they like.

Organizations of every kind throughout the country are making contributions, and yesterday the local Typographical Union received an appeal from the International Association for aid to be given to the union printers in the stricken city. In addition to all this, the Southern Express Company has come forward with the offer to carry free of charge business that is considered regular express shipments, consisting of contributions of money, clothes or supplies for the sufferers in San Francisco, when such shipments are consigned to city officials or to regularly constituted charitable organizations. As to the question as to how the insurance question will be settled, the Hartford Fire Insurance Company says through its State agent, Mr. George C. Jefferson, of Richmond, that it will promptly and honorably meet all losses incurred, and the records established at Chicago, Boston and Baltimore will remain unbroken.

Late last night another contribution of \$25, sent by Mr. W. H. Haney, was received from the Retail Merchants' Association of Clarendon, Va.

## Failing Strength

A weak and exhausted condition usually follows overwork, too close confinement, or unusual mental strain. Every day a certain amount of vitality is consumed, and if not replenished by sleep, rest and nourishment, soon wrecks the nervous system. The results are sleeplessness, headache, indigestion, imperfect circulation, etc., which affects the organs of the body.

Restore your nerve strength—your vitality, with Dr. Miles' Nerve, and your whole system will recuperate. Your sleep will be sound and refreshing, headaches will disappear, and digestion improve.

"When I began taking Dr. Miles' Restorative Nerve I was physically in a very bad condition. I was weak, exhausted, and hardly able to keep up. I could not eat sufficient to keep up my strength. I suffered greatly from sleeplessness, and got very little rest. The Restorative Nerve soon brought refreshing sleep, and I gained rapidly in strength. I have since taken it whenever I have felt the need of a nerve tonic, and always with very satisfactory results."

W. M. A. CLARK, Rockford, Ill.  
Dr. Miles' Nerve is sold by your druggist, who will guarantee its effect. If it fails, he will refund your money.
